I am currently unemployed and do not receive any unemployment benefits. I worked less than part-time since the termination from the IRS as a substitute teacher. However, now, school is out and I cannot substitute teach. My income from that, although less than part-time, is 2-3 times a month, gone from substitute teaching. I am currently enrolled in a work therapy program sponsored by a grant provided to the VA to give workplace skills. Upon its completion, I seek to, by then, have obtained full-time employment.
